**Vanda Laura, Marketing Director of BP-AKR** stated, "The opening of two new gas stations bp in Outer Ring Road and Grand Galaxy is part of our efforts and commitment to continue to grow in Indonesia, especially in Jakarta and its surroundings in 2022."

The West Outer Ring Gas Station has been operating since January 31, 2022. Meanwhile, the Grand Galaxy gas station started operating on March 20, 2022. Both gas stations are Company Owned Company Operated and are equipped with various facilities, such as mini markets, coffee shops, fast food outlets, filling stations, and places of worship.

This gas station offers a choice of BP 90, BP 92, BP 95 fuel with ACTIVE technology which is specially formulated to help protect the engine from accumulated dirt and maintain and optimize vehicle engine performance. In addition to gasoline, this gas station also offers BP Diesel fuel.

Vanda Laura, Marketing Director of BP-AKR added, "The bp West Outer Ring Road and Grand Galaxy gas stations have strategic locations. We collaborate with local partners to provide integrated facilities that can provide comfort for drivers to rest and refuel. In line with our mission to always be a travel companion for all customers, we hope

that in the future we can continue to expand our network to provide quality fuel, open opportunities for local partners to develop together and create jobs for the local community.”
